

Curriculum Vitae

Arif Nur Muhammad Ansori

Experiences

2013–2021

Assistant Lecturer • Faculty of Science and Technology, Universitas Airlangga, Surabaya, Indonesia.

2015–2016

Research Intern • Dengue Laboratory, Institute of Tropical Disease, Universitas Airlangga, Surabaya, Indonesia.

2016–2017

Research Assistant • Taman Husada Graha Famili Medicinal Plant Garden, PT. Intiland Development, Tbk and Faculty of Science and Technology, Universitas Airlangga, Surabaya, Indonesia.

2017

Research Intern • The International Research Center for Medical Sciences (IRCMS), Kumamoto University, Japan.

2017–2022

Research Associate • Faculty of Veterinary Medicine, Universitas Airlangga, Surabaya, Indonesia.

2018–present

Research Associate • Division of Molecular Biology and Genetics, Generasi Biologi Indonesia Foundation, Gresik, Indonesia.

2019–2021

Research Associate • Microbiology and Immunology Research Group, Faculty of Dental Medicine, Universitas Airlangga, Surabaya, Indonesia.

2022–present

Research Associate • Uttaranchal Institute of Pharmaceutical Sciences, Uttaranchal University, Dehradun, India

2022–present

Research Associate • Institute of Innovation, Journal Development, Publishing and Intellectual Property Rights, Universitas Airlangga, Surabaya, Indonesia

Jl. Dharma Husada Indah
Utara XIV, No. 1B,
Mulyorejo, Surabaya,
60115, Indonesia

2023–present

Member • European Virus Bioinformatics Center, Jena, Germany

2023–present

Member • The Indonesian Society for Bioinformatics and Biodiversity (MABBI), Indonesia

Education

Universitas Airlangga, Surabaya, Indonesia

- Bachelor of Science in Biology (S.Si.) – 2012-2016
- Master of Science in Vaccinology and Immunotherapeutics (M.Si.) – 2017-2019
- Doctor in Veterinary Science (Dr.) – 2018-2023

Keywords of Major Specialties

Molecular biology, virology, zoonotic diseases, bioinformatics, medicinal plants

Subspecialties

SARS-CoV-2, coronaviruses, drug design, vaccine design

Research interests

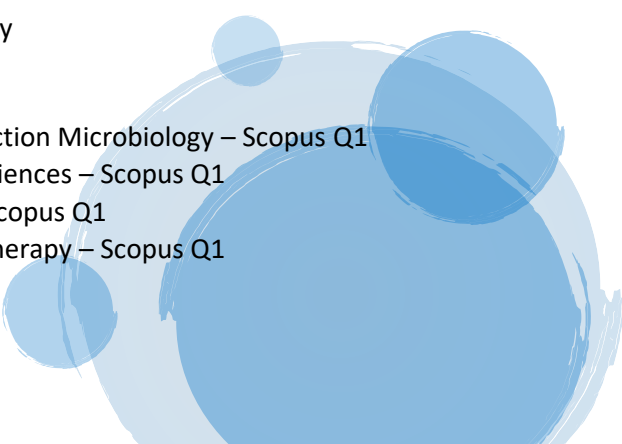

Molecular biology, virology, zoonotic diseases, bioinformatics, medicinal plants

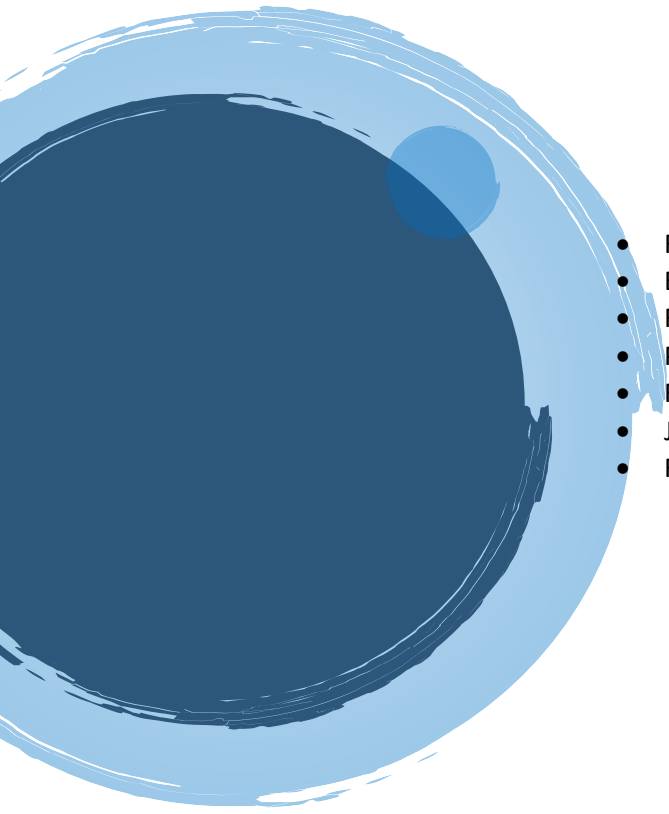

Editorial Board Members / Reviewers

Editorial Board Members

- Molecules – Guest Editor – Scopus Q1
- Frontiers in Endocrinology – Guest Editor – Scopus Q2
- Research Journal of Pharmacy and Technology – Scopus Q2
- Pharmacognosy Journal – Scopus Q3
- Trends in Medical Research
- Asian Journal of Biological Sciences
- Journal of Molecular Docking
- Genbinesia: Journal of Biology

Reviewers

- Frontiers in Cellular and Infection Microbiology – Scopus Q1
 - Saudi Journal of Biological Sciences – Scopus Q1
 - Frontiers in Microbiology – Scopus Q1
 - Biomedicine and Pharmacotherapy – Scopus Q1
- 

- Frontiers in Plant Science – Scopus Q1
- Ecotoxicology and Environmental Safety – Scopus Q1
- Frontiers in Psychiatry – Scopus Q1
- Phytomedicine – Scopus Q1
- Frontiers in Medicine – Scopus Q1
- Journal of Agriculture and Food Research – Scopus Q1
- Frontiers in Immunology – Scopus Q1
