

PERSONAL DETAILS

Name: Nihad Khalawe Tektook

Sex: female

Nationality: Iraqi

Date of Birth: 22/4/1974

Passport No.: A13915256 / Validity 15-07-2026

Marital Status: Married – 3 children

Address: Iraq - Baghdad - Wazeria

Personal Gmail: Gmail:drnihadkhalawe@gmail

Official Email: drnihadkhalawe@healthtech.edu.iq

Mobile : 07712913336

https://orcid.org/0000-0002-6685-627X

Scientific Certification:

1-Bachelor : Bsc1995-1996 , Al-Mustansiriah University. College of Science.Iraq.

2-M.Sc. / M.Sc. 2005, ALMustansiriah University/ College of science, Iraq.

3-Ph.D./ Ph.D. 2015, Al-Mustansiriah University/ college of science, Iraq.

Current Occupation: Assist prof. / immunology and microbiology.

Ministry of high education and search / health and medical college, Medical laboratory techniques Department

Languages:

Arabic (mother tongue) excellent written and spoken

English written and spoken (language of instruction during the school time as well as for teaching instructions).

Computer Skills:

Microsoft Word: word, excel, powerpoint. On constant use for the last five years

Adobe: Acrobat (good experience, self learnt).

References:

- Saad abd Ali (my husband), engendering, ministry of oil (+07809894040).

Position:

- Lecturer in department Medical Technical Institute / Middle Technical University. Baghdad (2001-2007).

-Lecturer and researcher in the College of Health and Medical Technology, medical laboratory analysis from(2007- till now).

-Manager of postgraduate in the College of Health and Medical Technology / Baghdad, from 2006-2012.

-Member of research and replacement unit in the College of Health and Medical Technology-Baghdad from 2015- till now.

- Member of National Council For Quality Improvement Of Technical Education Of Health And Medical Colleges And Institute- Iraq.

Scientific promotions:

1-Assistant Lecturer 2005.

2-Lecturer 2008

3-Assistant Professor 2015

Thankful Appreciations and Awards:

More than 22 thankful, and appreciations from Deans from university and different Colleges.

Supervision:

1- Under graduates: 8

2- Post -Graduates: 2

Teaching and Conducting Research

More than 18 year in Middle Technique University.

1- Medical Technical Institute/Middle Technical University.

Baghdad (2001-2007).

2- Al-Mustansiriah University / College of science , Topics / bacteriology
2003-2005

3- Middle Techniqe University / College of Medical and Health technology :
Physiology and Anatomy , Biology , Biochemistry , Medical Terminology ,
Molecular Biology, Immunology , Bacteriology , Parasitology , Virology , Diagnostic
bacteriology , Advance immunology , Technical Laboratory , 2005- Till now for both
under graduate and post graduate.

Professional Activities :

- **National and international scientific conferences : (37)**
- **Workshops : (44)**
- **Seminars : (45)**
- **Training and Development Courses : (95)**

ACADEMIC THESIS:

- **Tektook , N.K.(2005).** Bacteriological and Serological study in Diabetic patients with urinary tract infections and diabetic retinopathy. M.Sc. Thesis of Science in Biology. College of Science, University of AL- Mustansiriya.

-**Tektook,N.K.(2015).**Investigation of some genes responsible for Biofilm Formation in *Staphylococcus epidermidis* isolated From clinical samples.degree of phd in immunology;Science College ;University of AL- Mustansiriya, at Baghdad-Iraq.

LIST OF PUBLICATION : 41 search
