

South Valley University

Faculty of Science, Qena, Egypt

CURRICULUM VITAE

Personal Information:

- **Name:** Ali Mansour Fadlallah
- **Nationality:** Egyptian
- **Gender:** Male
- **Birth Date:** 16/1/1991
- **Marital Status:** Married
- **Address:** El-Sahaba St., Al-Knouz, Qena, Egypt
- **Work Address:** Zoology Department, Faculty of Science, South Valley University, Qena 83523, Egypt
- **E-Mail:**
 - ❖ alimansour2016@sci.svu.edu.eg
 - ❖ alimansour5661@yahoo.com
 - ❖ aliscience5661@gmail.com

- **Telephone Numbers:**

❖ **Work:** 002/096/5211281- 5211273

❖ **Mobile:** 002/01028561413

❖ **Fax:** 002/096/5211279

Academic Degrees:

- **Specialization:** Parasitology
- **Ph.D.** Degree in Zoology from the Faculty of Science - South Valley University 2020 entitled “Morphological and molecular studies on some monogenean parasites infesting fishes of the Red Sea in Egypt”.
- **M.Sc.** Degree in Zoology from the Faculty of Science - South Valley University 2017 entitled “Parasitological studies on some fishes of the River Nile at Qena and Aswan governorates in Egypt”.
- **Postgraduate for master degree (Total grade:** Very good 81.3 %, Oct 2014).
- **B.Sc.** Degree in Zoology from the Faculty of Science - South Valley University (**Total grade:** Excellent with honor’s grade 87.07%, May 2012).

Work Experience:

- **Teaching assistant:** Zoology Department, Faculty of Science, South Valley University, Qena, Egypt (18 November 2012 - 21 November 2017).

- **Assistant lecturer:** Zoology Department, Faculty of Science, South Valley University, Qena, Egypt (22 November 2017 - 29 December 2020).
- **Lecturer:** Zoology Department, Faculty of Science, South Valley University, Qena, Egypt (30 December 2020 to Present).

Teaching experience:

Practical Classes:

- At the pre-doctoral level, I taught most of the practical courses for the majors of the Department of Zoology at the Faculty of Science in Qena, Egypt over a period of eight years, from 18 November 2012 to 29 December 2020.

Invertebrates (1)	Medical Parasitology
Invertebrates (2)	Animal Ecology
Animal Taxonomy	Fish Biology
Cytology	Vertebrate Taxonomy
Histology	Vertebrates
Embryology	Soil Biology
Comparative Anatomy	Microscopic techniques
Physiology	

Theoretical Courses:

- After obtaining a doctorate, I taught some theoretical courses for students of the Faculty of Education in Qena, and students of the Faculty of Science in Qena from February 2021 till now.

Cytology
Histology
Invertebrates (2)
Animal Taxonomy
Physiology

- Participation in a teaching assignment at the Faculty of Education - Hurghada Branch, October - December 2021.

Training and Certificates:

- The International Computer Driving License (ICDL), 2010.
- A training course on "Introduction in Water Quality, Standards, Treatment and Analysis" in the central laboratory, South Valley University, Qena, Egypt in 21 October 2010.
- A training course on "Introduction in SEM-EDXRF and HPLC Applications" in the central laboratory, South Valley University, Qena, Egypt in 2 December 2010.
- A training course on "Practical Applications Of Medical Laboratory Investigations" in Faculty of Agriculture, Cairo University, Cairo, Egypt during the period from 16-7-2011 to 31-7-2011.
- A training program on Presentations from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt during the period from 1-12-2012 to 3-12-2012.
- A training program on Advanced PowerPoint from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt during the period from 4-12-2012 to 8-12-2012.
- A training program on Word Processing from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt during the period from 9-12-2012 to 11-12-2012.
- A training program on Concepts of IT from Information and

Communication Technology Project (ICTP), South Valley University, Qena, Egypt during the period from 12-12-2012 to 13-12-2012.

- A training program on Using Computer and Managing Files from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt during the period from 16-12-2012 to 19-12-2012.
- A training course on Financial and legal aspects from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 24-12-2012 to 26-12-2012.
- A training course on Management of Research Team Work from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 29-12-2012 to 31-12-2012.
- A training course on Aspects of scientific research from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 6-1-2013 to 8-1-2013.
- Compacted Courses for Preparation of University-Teacher in Faculty of Education, South Valley University, Qena, Egypt from 18-1-2013 to 19-1-2013.
- A Training course in the English language in Public Service Centre for Language Research, Faculty of Literature, South Valley University, Qena, Egypt from 1-5-2015 to 15-5-2015 (**Total grade:** Excellent 91%).
- Participation in a training program for a group of employers on Word Processing from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt

in December, 2015.

- Participation in a training program for a group of employers on Word Processing from Information and Communication Technology Project (ICTP), South Valley University, Qena, Egypt in September, 2016.
- A training course on the credit hours system from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 12-2-2017 to 14-2-2017.
- Participation in the 3rd Annual Scientific Conference (Oral presentation) held at the Faculty of Science, South Valley University, Qena, Egypt on 16-4-2019.
- A Training course in the French language in Public Service Centre for Language Research, Faculty of Literature, South Valley University, Qena, Egypt in June, 2019 (**Total grade:** Excellent 90%).
- Online training on Fundamentals of Digital Transformation Courses (FDTC) on IT, Operating System, Word, PowerPoint, Excel, Mobile applications and Web in May, 2020.
- A training course on Competitive Research Projects from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 20-5-2020 to 21-5-2020.
- A training course on Credit Hours System from Faculty and Leadership Development Center (FLDC), South Valley University, Qena, Egypt during the period from 3-6-2020 to 4-6-2020.
- Participation in a workshop on the control system, online, March, 2021.

- Participation in a training course on best practices in scientific writing and international publishing held at South Valley University, 29/6/2022.
- Participation in a workshop entitled "Specialization according to the needs of the labor market", held at South Valley University, 4/7/2022.

Management experience:

- Member of the Board of Directors of the Crises and Disasters Unit, which was established within the project of continuous development and qualification for accreditation at the Faculty of Science in Qena from 2014 AD to 2017.
- Participation as a control member for the first-year group, faculty of Science, Qena, 2020-2021.
- Participation as a member and secretary of the Zoology Department Council, Faculty of Science, Qena, 2021-2022.
- A member of the clearing committee of the Department of Zoology for students of the Faculty of Education who wish to enroll in the Faculty of Sciences in Qena for the academic year 2021/2022.
- Participation as an observer for examinations by South Valley University for students who are criminally and politically imprisoned in Qena Public Prison for various students of university faculties in the academic years 2021/2022 and 2022/2023.
- Participation as Chairman of the Tables Committee, Department of Zoology, Faculty of Science, Qena, 2021-2022.
- Chairman of the Technology Services Committee, Department of Zoology, for the academic year 2022/2023.

Social activities:

- Member of the Syndicate of Scientific Professions, Division of Life Sciences, Qena Branch.
- Member of the staff members and their assistants club at South Valley University.

Scientific conferences:

- Participation as a co-author of a research accepted for publication in the third annual scientific conference, which was held at the Faculty of Science in Qena - South Valley University on April 16, 2019.

Awards and honors:

- Scientific Publication Award (2019) from South Valley University.
- Scientific Publication Award (2021) from South Valley University.

Arbitration in scientific journals:

- Reviewer in the SVU-International Journal of Veterinary Sciences (SVU-IJVS), South Valley University: <https://svu.journals.ekb.eg/>.
- Reviewer in Animal and Veterinary Sciences (AVS): <http://www.avsjournal.org/index>.

Language Skills:

- **Arabic:** Native Language.
- **English:** Very good.

Research interests:

- Classification of parasites, especially monogenean parasites, using light and electron microscopy, and evolutionary molecular techniques.

Communication skills:

- Excellent communication and contact skills gained through my experience.
