Dear Mr. Nazar:

I am the senior editor of a four-volume book published by Elsevier and entitled ***Coal and Peat Fires: A Global Perspective***. I recently informed you that I am editing a fifth volume of this book and requested permission to use, in a chapter I am authoring for that book, illustrations from your highly informative Microsoft PowerPoint Presentation entitled 'Respiratory System of Insects,' that I found at <https://www.slideshare.net/MuhammadZeeshanNazar/respiratory-system-of-insects-ppt>.

I wish to thank you for your e-mail dated June 2, 2017, in which you granted me all rights to use slides from your presentation, with modifications that I may choose to make. I will acknowledge your permission in my figure captions. You did an excellent job taking a complex subject and making it easy to understand by combining detailed illustrations with descriptive text. Volume 5 of the book I am editing will include a companion website, and I wish to invite you to publish your presentation on that website. If you agree, Elsevier will send you the necessary permission and copyright forms for doing this.

I wish you the best as you continue your academic work, and hope that we will continue to remain in touch. Thank you again for your permission to use your illustrations.

Sincerely,
Glenn B. Stracher
