Copyright Transfer/Conflict of Interest Statement

The copyright to the article is transferred to the Nexus Academic Publishers (NAP). These copyrights will be admissible as and when the article is accepted for publication in any of the journal published by NAP.

The author / authors certify that his/her contribution in the article is original. Further he/she has full authority to make this award. The author signs this copyright form accepts full responsibility for releasing material on the behalf of all co-authors. The copyright transfer covers all right to reproduce and reproduce, distribute the article, including prints, reprints, photographic, translations, microform, electronic form both offline, online or any other mean of reproductions of similar nature to NAP. The author may self-archive an author-created version of his/her article on his/her own website and or in his/her institutional repository. He/she may also deposit this version on his/her funder's or funder's designated repository at the funder's request or as a result of a legal obligation, provided it is not made openly available until 12 months after authorized publication. He/she should not use the PDF file of publisher, displayed on <http://www.nexusacademicpublishers.com/>, for the purpose of self-archiving or deposit. Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on NAP website. The link must be accompanied by the following text: "The original publication is available at <http://www.nexusacademicpublishers.com/> ". After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.

I, the undersigned corresponding author, also certify that I/we have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of mine/ours are acknowledged.

Thanks for working with NAP.
