

(curriculum vitae)

Name : Dr.Nihad Khalawe Tektook

Scientific Degree : Assistant Professor

Specialization: Immunology - Microbiology

Work Address: College of Health and Medical technology-
Baghdad/ Middle Technical University.

Mobile: 009647712913336

Official Email: Nihadkhalawe@healthtech.edu.iq

Personal Email : drnihadkhalawe@healthtech.edu.iq

Scientific Certification:

1-Bachelor : Bsc1995-1996 , Al-Mustansiriah University. College of
Science.Iraq.

2-M.Sc. / M.Sc. 2005, AlMustansiriah University/ College of science, Iraq.

3-Ph.D./ Ph.D. 2015, Al-Mustansiriah University/ college of science, Iraq.

Position:

- Lecturer in department Medical Technical Institute / Middle Technical University. Baghdad (2001-2007).
- Lecturer and researcher in the College of Health and Medical Technology, medical laboratory analysis from(2007- till now).
- Manager of postgraduate in the College of Health and Medical Technology / Baghdad, from 2006-2012.
- Member of research and replacement unit in the College of Health and Medical Technology-Baghdad from 2015- till now.
- Member of National Council For Quality Improvement Of Technical Education Of Health And Medical Colleges And Institute- Iraq.

- Scientific promotions:

1-Assistant Lecturer 2005. _____

2-Lecturer 2008

3-Assistant Professor 2015.

Thankful Appreciations and Awards:

More than 20 thankful, and appreciations from Deans from university and different Colleges.

International , Local Symposium and work - shop - Inside Iraq (40)

Supervision:

1- Under graduates: 7

2- Post -Graduates: 2

Teaching and Conducting Research

More than 17 year in Middle Techniqe University.

1- **Medical Technical Institute** / Middle Technical University. Baghdad (2001-2007).

2- **Al-Mustansiriah University** / College of science , Topics / bacteriology 2003-2005

3- **Middle Techniqe University** / College of Medical and Health technology : Physiology and Anatomy , Biology , Biochemistry , Medical Terminology , Molecular Biology, Immunology , Bacteriology , Parasitology , Virology , Diagnostic bacteriology , Advance immunology , Technical Laboratory , 2005- Till now for both under graduate and post graduate.

4- Participate in :

- **National and international scientific conferences :** (35)

- **Workshops :** (40)

- **Seminars :** (40)

- **Training and Development Courses :** (90)
