

	Dr. Mir Hamid SALEHIAN Department of Physical Education, Tabriz branch, Islamic Azad University, Tabriz, Iran M_salehian@iaut.ac.ir 00989144174072 Date of Birth: 12.06.1963 City: Marand Phd of Physical Education Branch: Motor Learning and Sport Psychology ORCID: 0000-0001-7722-553X		
	Title of Article	Rank	Name of Journal
1	Influence of Attentional – Focus on Center of Mass Displacement of Body Different Segments in Basketball Set Shot	ISI	Annals of biological research
2	Effect of attentional –focus of feedback and goal setting on learning of basketball set shot	ISI	Annals of biological research
3	Performance comparison of the right and left basketball lay-up in hand and foot ipsilateral and contralateral conditions	ISI	Annals of biological research
4	The effect of three different exercising methods on under-skin fat rate in non-athlete males	ISI	Annals of biological research
5	Relationship between Emotional Intelligence and Coaching Efficacy in Coaches	ISI	Annals of biological research
6	Relationship between the Sport Orientation and Emotional Intelligence among Team and Individual Athletes	ISI	Annals of biological research
7	Comparison of Depression between University Male Athletes and Non-athletes	ISI	Annals of biological research
8	Effects of Mentha Piperita Inhalation on Some Factors of Physical and Movement Performance of Male Students	ISI	Annals of biological research
9	The effect of mental practice as a practical supplementary on performance and learning of basketball free shot in male and female university students	ISI	Annals of biological research
10	Relation of Anthropometric Characteristics in Women with different types of MS and Comparison with Health ones	ISI	Annals of biological research
11	The study of religious beliefs among male athletes and non- athletes	ISI	Annals of biological research
12	Comparison of Career Anchors and Organizational Commitment among Physical Education and Non-Physical Education faculties of Iran Islamic Azad Universities	ISI	Annals of biological research
13	The effects of caffeine on perceived pain of muscles	ISI	Annals of biological research
14	Comparison of the right basketball lay-up in hand and foot ipsilateral and contralateral condition	ISI	Annals of biological research
15	Comparison of Flexibility of Pelvic and Femoral Muscles in Futsal, Weightlifting and Swimming	ISI	Annals of biological research
16	The Effect of Violent and Non-Violent Computer Games on Changes in Salivary Cortisol Concentration in Male Adolescents	ISI	Annals of biological research
17	A Comparison of Emotional Intelligence in Elite Student Athletes and Non-Athletes	ISI	Annals of biological research
18	The Effects of Mental Practice on Strength Gain and Electromyographic Changes in Elbow Flexor Muscles	ISI	Annals of biological research
19	The Relationship between Goal Orientation and Competitive Anxiety in Individual and Team Athletes Fields	ISI	Annals of biological research
20	Effective motivational factors social-proud ness, friends, Socialization the attraction of spectators to Iranian Football primary league	ISI	Annals of biological research
21	Comparison of Personality Dimensions, Mental Toughness, and Social Skills of Female Students Athletes (Team-Individual) and Non-Athletes	ISI	Annals of biological research
22	Correlation between physical fitness level and self-esteem, aggression, antisocial behavior in university male students	ISI	Annals of biological research
23	Comparison of Personality Traits Between Individual and Team Athletes	ISI	Middle-East Journal of Scientific Research
24	The effect of Imagery ability on muscles electrical activity on hand grip task	ISI	Annals of biological research
25	Effect of Different Exercises on Reducing Male Students Depression	ISI	Annals of biological research
26	Emotional Intelligence and Coaching Efficacy in Female Coaches	ISI	Annals of biological research

27	Evaluation of some physical fitness factors related to health in addicted men	ISI	Annals of biological research
28	Comparison of Depression between University Female Athletes and Non-athletes	ISI	Annals of biological research
29	Effect of 5 km running velocity on hormone ghrelin level in untrained obese men	ISI	Annals of biological research
30	Climbing effect into high altitude, as subsequent on supplement of Q10 coenzyme on Frap changes, GLU, HCT and WBC value in male mountaineers' serum	ISI	Annals of biological research
31	The Influence of Handball Simulated Competition Induced Fatigue on Functional Stability	ISI	Annals of biological research
32	Effect of 10 km running velocity on hormone ghrelin level in obese nonathletes men	ISI	European Journal of Experimental Biology
33	Comparison of the left basketball lay-up in hand and foot ipsilateral and contralateral conditions	ISI	European Journal of Experimental Biology
34	Investigation on the prevalence rate and some probable causes of sport injuries in Iranian elite competitive gymnastic girls	ISI	European Journal of Experimental Biology
35	Factor analysis procedures affecting the development of sports tourism with emphasis on the industrial orientation	ISI	European Journal of Experimental Biology
36	Comparison of perceptual motor skills of first and third elementary girls in urban and rural areas	ISI	European Journal of Experimental Biology
37	Comparison of disorders menstrual frequency between female athlete and non-athlete university students	ISI	European Journal of Experimental Biology
38	Comparison of depression between university athletes and non-athletes	ISI	European Journal of Experimental Biology
39	Relationship between Coach's Leadership Styles and Group Cohesion in the teams participating in the 10th Sport Olympiad of male Students	ISI	European Journal of Experimental Biology
40	Effect of selected physical activities on behavior problems among 3-6 years old children	ISI	European Journal of Experimental Biology
41	McClelland's motivational needs: A case study of physical education teachers in West Azarbaijan	ISI	European Journal of Experimental Biology
42	The relationship between spiritual intelligence and mental health among athletes and non-athletes	ISI	European Journal of Experimental Biology
43	The investigation of the mass media role in females trending towards general and competitive sports training	ISI	Life Science Journal
44	The effect of aerobic exercise on IL6, CRP and TNF α concentration in elderly men	ISI	Life Science Journal
45	External or Internal Attention for Vertical Mass Displacement	ISI	Life Science Journal
46	Comparison of cardiac structural, functional indices of male elite swimmers and triathletes with non-athletes	ISI	Life Science Journal
47	Effect of bicarbonate sodium supplement on skaters' performance	ISI	Life Science Journal
48	The effect of periodical corrective motions on cardia - respiratory indexes of young girls with scoliosis	ISI	Life Science Journal
49	The Effect of Motivational Self-Talk on Performance in a Force Generation Task with an Emphasis on the Role of Belief in Self-Talk	ISI	Life Science Journal
50	The study of effective factor on boom-seeking of sport in Hormozghan province	ISI	Life Science Journal
51	Contribution of Climbing up to High Altitudes Subsequent to Co-enzyme Q10 Completing on Mallon-dialdehyde Variations in the Serum of Male Mountaineers	ISI	Life Science Journal
52	Effect of bicarbonate sodium supplement on skaters' performance	ISI	Life Science Journal
53	Surface slope enhances anterior muscles fatigue in lower limb	ISI	Life Science Journal
54	Effect of Selected Physical Activities on Social Skills among 3-6 years old Children	ISI	Life Science Journal
55	Comparing menstruation disorders between A and B behavioral types of university female athletes and nonathletes	ISI	Life Science Journal
56	The effect of Q10 coenzyme supplement on Frap changes and HCT, WBC in male climbers' serum	ISI	Life Science Journal
57	Effect of low and moderate aerobic training on appetite and Plasma Ghrelin level in obese sedentary women	ISI	Life Science Journal
58	Players' Perception of the Effect and Superiority of Self-Talk in Motor Performance	ISI	Life Science Journal
59	THE SPORT OF WRESTLING AND WEIGHT LOSS METHODS	ISI	Journal of Physical Education and Sport Science
60	Relationship between sport injuries of Neck and Trunk with fitness factors in futsal players	ISI	Bulletin of Environment, Pharmacology and Life Sciences
61	The comparison of mental skills of elite and non-elite boys individual athletics in region 13 of Islamic Azad University	ISI	International Journal of Sport Studies

62	The effect of 14 days Beta-Alanin consumption on the non-aerobic power, tiredness index and blood lactate in the recovery cycle and a maximal activity among male athletes	ISI	Advances in Environmental Biology
63	Determining Barriers to the Development of Sports Tourism in Fars Province	ISI	Journal of Applied Science and Agriculture
64	THE INVESTIGATION OF RELATIONSHIP BETWEEN PARENTS CHILD-TREATING STYLES AND CHILDREN EDUCATIONAL PROGRESSION MOTIVATION	ISI	INTERNATIONAL JOURNAL OF CURRENT LIFE SCIENCES
65	The impact of technology and early childhoods' motor experiences on the development of children's motor-perceptual abilities	ISI WOS	Medicine dello Sport
66	Effect of selected games on the development of manipulative skills in 4-6 year-old preschool girls	ISI WOS	Medicine dello Sport
67	Chronometry of Mental Imagery among Skilled and Unskilled Swimmers	ISC	Sport Psychology Studies
68	The Effect of Peripheral Fatigue on Temporal Properties of Mental Imagery among Unskilled and Skilled Swimmers	ISC	Sport Psychology Studies
69	Relationship between body image concern and dysfunctional attitudes in predicting exercise addiction among bodybuilders	ISC	Scientific journal of Rehabilitation
70	Anticipation of Emotion Regulation and Psychological Well-being on Athletic Performance of Professional and Semi-professional Athletes	ISC	Sport Psychology Studies
71	Effect of losing on early maladaptive schemata of individual male athletes	Eric	African Educational Research Journal
72	The effect of winning on early maladaptive schema of female athletes	Eric	African Educational Research Journal
73	Comparison of the effect of resilience training and Qigong exercises on the perceived stress due to Corona Disease in students	Scopus ISI WOS	Pakistan Journal of Medical & Health Sciences
74	The Effects of Autonomy Support on Observational Motor Learning	ISI WOS	Iranian Journal of Learning and Memory,
75	The Effect of Water Treadmill Exercise on Children with Attention Deficit Hyperactivity Disorder	ISI WOS	International Journal of Pediatrics
76	Comparison of the effect of cognitive-spiritual method of hope therapy and tai chi exercises on anxiety caused by corona disease in university students	Scopus ISI WOS	Pakistan Journal of Medical & Health Sciences

Conferences

1	The Comparison of the Influence of Attentional--Focus on the Center of Mass Displacement of Body Different Segments in Basketball Set Shot	Croatia	2011
2	Effect of Attentional-Focus of Feedback and Goal Setting on Learning of Basketball set shot	Croatia	2011
3	Effect of mental practice on learning of basketball free shot in male university students	France	2012
4	Comparison of Personality Traits Among Athletes	France	2012
5	Effect of Imagery ability on hand muscles electrical activity during grip task	Spain	2013
6	Relationship between identity styles with motivation factors and success feeling in Eite Teenager Male Soccer and Karate players	Spain	2013
7	Invited Speaker: Imagery practice	Turkey/ Afyon	2015
8	Invited Speaker: External attentional focus distance increases velocity of forearm in basketball free shot	Turkey/ Burdur	2016
9	Invited Speaker: External or internal focus of attention in free basketball shot	Turkey/Antep	2017
10	Invited Speaker: The effect of eight weeks NASM exercises on sway back of female students	Turkey/Antalya	2018

11	The effect of eight weeks of National Academy of Sport Medicine exercises on Tortikolis of high school female students	Tabriz Eurasia	2018
12	Relationship between dysfunctional attitudes in predicting exercise addiction among bodybuilders	Tabriz Eurasia	2018
13	Comparison of Elite Male and Female Athletes Mental Rotation	Tabriz Eurasia	2018
14	The Effect of Psychological Hardiness on Learning of Martial Arts Sport Skills	Tabriz Eurasia	2018
15	Comparison of Spatial Prediction of Skilled and Unskilled Goalkeepers in Handball Penalty	Tabriz Eurasia	2018
16	Comparison of Temporal Prediction of Skilled and Unskilled Goalkeepers in Handball Penalty	Tabriz Eurasia	2018
17	Relationship of Coaching Behavioral Training and Practices in Burnout of Bonab Athletes	Tabriz Eurasia	2018
18	Invited Speaker: The effect of eight weeks of NASM exercises on lordosis of female students	Turkey/ Istanbul	2019
19	Invited Speaker: Far External Focus Affects the Kinematic Movement of Forearm in Basketball Free Shot	Turkey/ Mus	2019
20	Invited Speaker: Narcissistic narrative in university students' non-elite athletes and sedentaries	Turkey/ Denizli	2019
21	Invited Speaker: The effect of self-efficacy and psychological hardiness in learning of Basketball shot	Turkey/ Denizli	2019
22	Invited Speaker: Narcissistic narrative in university students' non-elite athletes and sedentaries	Turkey/ Sinop	2020
