

Publications

1. **Shoaib, M.,** S. A. Bhatti, H. Iqbal, S. Ashraf, N.S. Sahar, M. M. A. Hamid, M. Asim and M. Hussain. 2022. Production efficiency, nutrient digestibility and meat quality of broilers reared on different fat sources and emulsifiers. Turk. J. Vet. Anim. Sci. 46: 263-274. **Impact factor: 0.581 (X-Category)**
2. Wadood, F., **M. Shoaib,** A. Javaid, K. Rehman, N. Rana, F. Maqsood, A. Munir and M. A. Jawad. 2022. Effects of threonine supplementation in low protein diet on broilers growth performance and biochemical parameters. Int. J. Agric. Biol. 27: 277-283. **Impact factor: 0.89 (Y-Category)**
3. **Shoaib, M.,** M. M. A. Hamid, S. Amir, S. A. Bhatti, H. H. Iqbal, N. Sahar and M. Hussain. 2022. Production Efficiency, Nutrient Utilization and Intestinal Histology of Broiler Fed Energy Diluted Diet Supplemented with Lipase and Bile Acids. Pak. J. Zoo. (Paper accepted). **Impact factor: 0.831 (X-Category).**
4. **Shoaib, M.,** S. A. Bhatti, H. Nawaz and M. S. Rehman. 2021. Effect of different emulsifiers on growth performance, intestinal histology and serum biochemistry in broiler reared on different fat sources. Pak. Vet. J. 41(2): 185-190. **Impact factor: 1.318 (X-Category).**
5. **Shoaib, M.,** S. A. Bhatti, H. Nawaz and M. S. Rehman. 2021. Effect of lipase and bile acids on growth performance, nutrient digestibility and meat quality in broiler on energy diluted diets. Turk. J. Vet. Anim. Sci. 45: 148-157. **Impact factor: 0.581 (X-Category)**
6. **Shoaib, M.,** S. A. Bhatti, H. Nawaz and M. S. Rehman. 2021. Effect of different fat sources and energy levels on growth performance, nutrient digestibility and meat quality in broiler chicks. J. Anim. Plant. Sci. 31: 1252-1262. **Impact factor: 0.49 (Y-Category)**
7. Sharif, M., **M. Shoaib,** M. Aziz Ur Rahman, F. Ahmad and S. Rehman. 2018. Effect of distillery yeast sludge on growth performance, nutrient digestibility and slaughter parameters in Japanese quails. Scientific Reports 8: 1-6. **Impact factor: 4.379 (W-Category)**
8. Sharif, M., **M. Shoaib,** M. S. Rehman, A. Fawwad and J. Asif. 2016. Use of distillery yeast sludge in poultry: A review. Scholarly Journal of Agricultural Science 6: 242-256.
9. **Shoaib, M.** and M. Sharif. 2015. Role of vitamins in poultry and ruminants. The Veterinary News & Views.

Proceedings

1. Ashraf, S., M. Yousaf, I. Ahmed, N. Sahar, **M. Shoaib.** 2022. Use of exogenous feed pigments for egg yolk pigmentation-A new innovation tool. In Proc. International Conference on Remote Sensing & GIS Integration in Veterinary, Agricultural & Health Sciences, held by Faculty of Veterinary and Animal Sciences, MNS- University of Agriculture, Multan.
2. Ashraf, S., S. A. Bhatti, F. Shahid, N. Sahar, **M. Shoaib,** H. Iqbal. 2021. Effects of dietary selenium sources on productive performance, hatching traits and antioxidant status of commercial broiler breeders. In Proc. 26th World's Poultry Congress, organized by French Branch of the World's Poultry Science Association.
3. **Shoaib, M.,** S. A. Bhatti, M. Saif-ur-Rehman, S. Ashraf, M. Hussain, N. U. Sahar, I. Hashmi and I. Hassan. 2020. Effect of different fat emulsifiers on growth performance in

broiler. In Proc. Int. Conf. on “Climate-Resilient Smart Soil Management Focusing on Food Security, Ecosystems & Environment” held by The University of Haripur, Pakistan.

4. **Shoaib, M.,** N. U. Sahar, M. Asim, U. Nazir and S. A. bhatti. 2019. Particle size reduction by hammer mill and roller mill. In Proc. 3rd Int WPSA “Layer Quality Conference” held by WPSA & IADS, UAF.
5. **Shoaib, M.,** S. A. Bhatti, M. Farooq, N. U. Sahar, A. A. Mashdi and S. Ashraf. 2019. Effect of different fat sources in broiler diet from hatch to market. In proc. 3rd Natl conf. on Emerging Trends in Bioinformatics & Biosciences held at Department of Bioinformatics, Hazara University, Mansehra KP, Pakistan
6. Sahar, N. U., M. A. Mirza, F. Hassan, M. S. Rehman, **M. Shoaib** and S. Ashraf. 2019. Phytogetic feed additives to replace antibiotic growth promoters in poultry feed. In proc. 3rd Natl conf. on Emerging Trends in Bioinformatics & Biosciences held at Department of Bioinformatics, Hazara University, Mansehra KP, Pakistan
7. Ashraf, S., S. A. Bhatti, T. Mahmood, N. U. Sahar and **M. Shoaib**. 2019. Effects of dietary selenium sources on egg production, antioxidant status and immune responses of commercial female broiler breeders. In proc. 3rd Natl conf. on Emerging Trends in Bioinformatics & Biosciences held at Department of Bioinformatics, Hazara University, Mansehra KP, Pakistan
8. **Shoaib, M.,** N. U. Sahar, M. M. A. Hamid, F. Hassan, S. Ashraf and S. A. Bhatti. 2019. Effect of different toxin binders against aflatoxicosis on production performance in broiler chicken. In Proc. Intl. Conf. held in University of the Poonch Rawalakot, Azad Kashmir. June 19-21.
9. **Shoaib, M.,** M. Sharif, N. U. Sahar, S. Ashraf and S. A. Bhatti. 2019. Effect of feed form and different pelleting temperatures on growth performance in broilers. In Proc. Intl. Conf. held in University of the Poonch Rawalakot, Azad Kashmir. June 19-21.
10. Yousaf, W., S. A. Bhatti, **M. Shoaib**, S. Ashraf, T. Mahmood and N. U. Sahar. 2018. Effect of organic acid as replacement of antibiotic growth promoter on growth performance, carcass characteristics and immune response in broilers. In Proc. Natl. poult. Symp. On Health & Welfare. held at PMAS Arid Agriculture University, Rawalpindi, Pakistan. Dec 11-12.
11. Ashraf, S., S. A. Bhatti, F. Hassan, N. U. Sahar and **M. Shoaib**. 2017. Enrichment of poultry meat with omega-3 fatty acids as functional food through dietary manipulations. International Conference on Poultry Processing. Organized by Department of Poultry Production, University of Veterinary and Animal Sciences, Lahore. November 1-2, 2017.
12. Ashraf, S., S. A. Bhatti, Z. Kamran, F. Ahmad, N. U. Sahar and **M. Shoaib**. 2017. Effect of replacing antibiotic growth promoters with yeast derived carbohydrates on growth performance, nutrients efficiency, gut microbiota and carcass characteristics of broilers. International Conference on Poultry Processing. Organized by Department of Poultry Production, University of Veterinary and Animal Sciences, Lahore. November 1-2, 2017.
13. Sahar, N. U., H. Nawaz, S. A. Bhatti, T. Mahmood, S. Ashraf and **M. Shoaib**. 2017. Dry Yeast (*Saccharomyces Cerevisiae*) in Japanese quails nutrition: the dynamics of growth performance, carcass characteristics and economic evaluation. International Conference on Poultry Processing. Organized by Department of Poultry Production, University of Veterinary and Animal Sciences, Lahore. November 1-2, 2017.
