

PUBLICATIONS

- 1- **First record of *Atelerix albiventris* (Family: Erinaceidae) from south-eastern of Egypt confirmed by molecular analysis.** Lamiaa E. Deef, *Pakist. J. Zool.* In press
- 2- **A new species of Mullet, *Chelon caeruleum* (Family: Mugilidae), with description of its Genetic relationship to some Mugilids** Lamiaa E. Deef, *Ribarstvo* 2018
- 3- **Genetic and taxonomic relationships of five species of Rallidae (Aves: Gruiformes) based on mitochondrial cytochrome oxidase subunit I sequences.** Lamiaa E. Deef, *Acta Scient. Anim. Sci.*, 2018
- 4- **Detection of Genetic Relationship in the Tree of Life of Some Quail Through Molecular Markers Analyses,** Lamiaa E. Deef, *Braz. Arch. Biol. Technol.*, 2017
- 5- **Protein and PCR-RFLP Electrophoreses for the Differentiation between some Species of the Sea Robins (Pisces, Family: Triglidae),** Lamiaa E. Deef, *Egypt. J. Zool.*, 2016
- 6- **DNA Fingerprinting of three Species of Family Alcedinidae (Aves: Coraciiformes) in Egypt using molecular markers,** Lamiaa E. Deef, *Indian Journal of Applied Research*, 2015
- 7- **Histo- and Ultrastructural study of the Kidney in three species of Family Rallidae,** Lamiaa E. Deef and Nahed A. M. Omar, *International Journal of Advanced Research*, 2015
- 8- **Genetic characterization of Red Junglefowl (*Gallus gallus gallus*) and commercial chicken lines (*Gallus gallus domesticus*) using molecular markers,** Lamiaa E. Deef and Sobhy E. Hassab El-Nabi, *International Journal of Advanced Research*, 2015
- 9- **Histo- and Ultrastructural Aspects Concerning Renal Corpuscle in *Fulica atra* and *Gallinula angulata* (Aves: Gruiformes),** Lamiaa E. Deef, *International Journal of Advanced Research*, 2015
- 10- **DNA Fingerprinting of three Species of Family Alcedinidae (Aves: Coraciiformes) in Egypt using molecular markers,** Lamiaa E. Deef, *Indian Journal of Applied Research*, 2015
- 11- **Transmission Electron Microscopy Study on The Gas Exchanger of The Migratory Quail (*Coturnix coturnix*) and Farmed Quail (*Coturnix japonica*),** Lamiaa E. Deef, *CATRINA*, 2015
- 12- **Comparative Histological and Ultrastructural Studies on Lung of The Egyptian Hoopoe (*Upupaepops major*) and The European Hoopoe (*Upupaepopsepops*),** Neveen E. R. El- Bakary; Adel A. Ibrahim; Gamal A. Abd-Allah; Sobhy E. Hassab El-Naby and Lamiaa E. Deef, *CATRINA*, 2013
- 13- **Survey of Lizards at 2005/2006 in Damietta region, Egypt,** Abd-Allah Gamal A.; El- BakaryNeeven E.; Amer Sayeed A. and Deeflamiaa E., *Mansoura Journal of Biology*, 2009

14- Lizard community and genetic variability for two lacertid species in Damietta, Sayed AM. Amer ; El-Bakary N. Reda ; Abd-Allah G . Abdel – Reheem and DeefL.El - Said, *J. Exp. Biol. Zoology*, **2008**

15- Comparative anatomical study of the tongue of lizards inhabiting Damietta, El-Bakary, N.E.R.; Abd-Allah, G.A.; Sayed A. M. Amer and Deef, L.E., *J. Egypt. Ger. Soc. Zoology*, **20**
