

CURRICULUM VITAE

Munir Ahmad, PhD Entomology (Insecticide Resistance Management & Pollinators Ecology)
Orcid ID: <https://orcid.org/0000-0001-8311-4916>
University page link: http://www.uaar.edu.pk/fcfs/faculty_details.php?fac_id=131&dept_id=5
Title: Associate Professor E-mail: maqmunir@gmail.com , munirahmad@uaar.edu.pk
Date of birth: 02/04/1975 Gender: Male Marital status: Married, three children
Telephone: +92 3006361618
Permanent address: House No. 9, Street No. 16, Block 'S', New Multan Colony, Multan, Pakistan
Present Address: Department of Entomology, Faculty of Crop and Food Sciences, Pir Mehr Ali Shah, Arid Agriculture University, Rawalpindi, Pakistan

Profile:

More than 20 years of experience in Applied Entomology and Insecticide Resistance Management at Central Cotton Research Institute, Old Shujabad Road, Multan, teaching undergraduate courses at University College of Agriculture, Bahauddin Zakariya University and Helb Pesticide Company, Multan for pesticide sales and development works. Consulted for Crop and Pest Management, and Pollination Services at FMP, Hydroponics Farm, Rawat for three years. Now, teaching as Associate Professor at PMAS, Arid Agriculture University Rawalpindi, Pakistan since 2016

Education and Qualification

PhD (2010)	<i>University College of Agri. Bahauddin Zakariya University, Multan</i>	Insecticide resistance, mechanisms, genetics and management of <i>Spodoptera litura</i> (Fab.) in the Punjab, Pakistan
M.Sc (Hons) (1999-2000) (3.55/4.00)	<i>University of Agriculture Faisalabad</i>	Insecticide mortality, foraging behaviour and pollination of honeybee, <i>Apis mellifera</i> L. on some solanaceous crops
B.Sc (Hons) (1994-98) (3.43/4.00)	<i>University College of Agri. Agriculture, Bahauddin Zakariya University, Multan</i>	Evaluation of different pest scouting methods for monitoring whitefly population in cotton fields at Multan (Pakistan)
F. Sc (761/1100)	<i>Government Degree College Bosan Road, Multan</i>	Science (Pre-medical: Physics, Chemistry & Biology)
Matriculation (700/850)	<i>Government Pilot Secondary School Multan</i>	Science (Physics, Chemistry, Biology, Mathematics)

Professional Experience:

08.09.2016 to date	Associate Professor, Department of Entomology, Pir Mehr Ali Shah, Arid Agriculture University Rawalpindi
29.08.2016 – 07.09.2016	Join back as Assistant Professor, Department of Entomology, PMAS-Arid Agriculture University Rawalpindi
10.03.2014 - 28.08.2016	Production Manager at Saudi Advanced Agriculture Company, Riyadh, Kingdom of Saudi Arabia
29.08.2011 - 09.03.2014	Assistant Professor, Department of Entomology, Pir Mehr Ali Shah, Arid Agriculture University Rawalpindi (on leave)
01.04.2010 – 10.08.2014	Worked as a consultant for Insect Pest Management at Hydroponics Project of Farmers Marketing (Pvt) Ltd
18.09.2008 – 29.08.2011	Lecturer, Department of Entomology, Pir Mehr Ali Shah, Arid Agriculture University Rawalpindi
May 2008 - 15.09.2008	Scientific Officer, Central Cotton Research Institute, Old Shujabad Road, Multan under Project "Biological control of cotton insect pests of cotton in Pakistan"

May, 2004 – May, 2010	(PhD Thesis) University College of Agriculture, Bahauddin Zakariya University, Multan
Sep 2002 – April 2004	Scientific Officer, Central Cotton Research Institute, Old Shujabad Road, Multan under CFC Project “Sustainable control of cotton bollworm, <i>Helicoverpa armigera</i> under small scale cotton production systems”
Sep 2000 – Sep 2002	Technical Sales Officer, Helb Pesticide and Chemicals Co. Mall Plaza, Multan Cantonment, Multan
May 2000 - Jun 2000	Fieldwork for pesticides’ sales and marketing Part time lecturer in Entomology, University College of Agriculture, Bahauddin Zakariya University, Multan, taught an undergraduate course of “Store grain pests and their management”

Teaching Responsibilities

Undergraduate courses

ENT 401	Introductory Entomology
ENT 402	Applied Entomology
ENT 502	Insect Physiology
ENT 505	Insect Ecology and Behavior
ENT 507	Insect pests of household, man and animal
ENT 605	Insecticides and their Application
ENT 609	Environmental Pollution and Agriculture
ENT 611	Entomological Enterprises

Postgraduate courses

ENT 709	Insecticide Resistance Management
ENT 714	Insecticide Toxicology
ENT 715	Insect Nutrition
ENT 716	Insecticides and Public Health
ENT 719	Special Problem
ENT 720	Special Problem I and II
ENT 721	Insecticides Application Equipment

Administrative Experience

- Member, Board of Studies in Agri. Entomology, PMAS Arid Agriculture University Rawalpindi since 07-01-2019 for three years (No. PMAS-AAUR/FC&FS/1345 dated 13/05/2019).
- Member Board of Studies in Agri. Entomology, University of Sargodha, Sargodha (No. UOS/Acad/988 dated 10.11.2017)
- Assistance to the Dean, Faculty of Crop and Food Sciences for administrative affairs of faculty matters from year 2010 to 2012
- Coordinator of Department Time Table and Date Sheet
- Prepared, maintained and evaluating the Self-Assessment Report for MSc (Hons) and PhD of the Department

Member, Board of Studies of Universities

- Department of Entomology, University of Sargodha, Sargodha since August, 2018
- Department of Plant Protection, Shah Abdul Latif University of Engineering and Technology, Rahim Yar Khan since May, 2019
- Institute of Plant Protection, Faculty of Agriculture and Environmental Sciences, MNS - University of Agriculture, Multan since 02-07-2019 vide letter No. DAES/489 dated 02-07-2019.

Member Comprehensive Committee for PhD Oral Examination

1. Oral Examination of Ms. Misbah Naeem (10-arid-966) student of PBG department on November 10, 2019 at 10 am in Dean Office (Vice Chancellor Nominee)
2. Oral Examination of Mr. Muhammad Raza Khan (16-arid-589) student of Zoology department on July 15, 2021 at 12 pm in Dean Office (Vice Chancellor Nominee)

Editor of the Scientific Journals

- International Journal of Entomological Research (Journal Manager)
- Basic and Applied Crop Production and Protection Journal (Managing Editor)
- Plant Protection (Subject Editor)
- Uludag Bee Journal (Turkey) (Editorial Member)
- Applied Sciences and Business Economics (Editorial Member)

- Academic Research Journals of Agricultural Science (Editorial Member)

Reviewer of International and National Journals

Crop Protection, Pest Management Science, Journal of Pest Science, Environmental Science and Pollution, International Journal of Tropical Insect Science, AGRIVITA Indonesian Journal, Pakistan Journal of Agricultural Research, Journal of Agricultural Science and Technology (Iran)
Journal of Bioscience and Biotechnology Discovery

Membership of societies

- Member to the Society of the Chemical Industry, Elsevier
- Member of Pakistan Entomological Society, UAF, Pakistan
- Member of Life Sciences Research of Pakistan
- Member of Asian Council of Science Editors, UAE
- Member Zoological Society of Pakistan

Webinar attended

- National consultation on assessment of the states of implementation of the Pakistan National Biodiversity Strategy and Action Plan (NBSAP/2017-2030) in relation to invasive species, and development of a National Invasive Strategy and Action Plan (NISSAP) dated 27th August, 2020 , Platform: zoom meeting, ID: pw: arranged by Ministry of Climate Change, PARC, DPP, CABI
- Use of New Technology in Locust Control dated 20th August 2020, Timings: 10:00 to 14:00 (Pakistan Time), Platform: Zoom Meeting, ID : 68994875027, pw: 23456 arranged by PASTIC, Pakistan
- Development of Technical brief and Pest Management Decision Guides (PMDGs) for Fall Armyworm (*Spodoptera frugiperda*), Tomato Leaf miner (*Tuta absoluta*) and Gajar Booti (*Parthenium hysterophorus*) 16 April 2020 from 1100 am to 0200 by CABI, Pakistan (<https://cabi.zoom.us/j/97357031783>)
- Postharvest extension and capacity building for the developing world (Book launch) Time: June 15, 2019 - 7:00 AM in Pacific Time (US and Canada) by Dr. Lisa Kitinoja, President and Founder, The Postharvest Education Foundation.
- Transforming Agriculture: Experiences and Insights from Brazil and Beyond, [International Food Policy Research Institute \(IFPRI\)](#) Tuesday, May 15, 2018 from 12:15 PM to 1:45 PM (EDT) Washington, DC.
- Access to Scientific Information Resources in Agriculture (ASIRA) Online Course for Low-Income Countries, Fourth edition, 30th October to 19th November 2017 <http://aims.fao.org/asira>
- AGRIS Webinar Recording Online: AGRIS for Agricultural Information Data Providers, April 23, 2018.

E-Course participated

- Training Course on Seminar on “Sericulture Production and Management for Developing Countries” sponsored by South China Agriculture University from November 16–29, 2021 in Guangzhou, People’s Republic of China.
- Training Course on Agricultural Pest and Disease Control Technology for Pakistan” sponsored by Ministry of Commerce and organized by National Agricultural Technology Extension and Service Center from September 6 to September 17, 2021 in Beijing, People’s Republic of China.
- Insect-human interaction Bugs-101 course by Coursera (February to April 2020) offered by University of Alberta, Canada.
- Two online e-courses “Freelancing and Digital Marketing (twelve weeks duration) during April 01, 2019 – June 30, 2019 by (<https://lms.digiskills.pk/CourseTopicDetail.aspx>) powered by VU,

Pakistan, Word press during August to October, 2019 and two courses “Graphic Design and Search Engine Optimization (SEO)” during November 2019 to January 2020.

- Food loss analysis case study methodology by FAO (<http://www.fao.org/elearning>) during April 08 – 20, 2018.
- Introduction to Solid Waste Management in Developing Countries by Coursera (www.coursera.org/learn/solid-waste-management) during May 08, 2018 to June 13, 2018
- "Fundamentals of Information Literacy and Access to Global Online Research in Agriculture (AGORA)”

Research Grants

(Submitted)

1. Sustainable environmental friendly management of fruit worm, *Helicoverpa armigera* (Lepidoptera: Noctuidae) in Punjab, Pakistan under PSF-CRG for 6.307 million Pak rupees (as PI) (submission during August 2019) Status: Not accepted
2. Urban landscape conservation for insect pollinators and pollination services under Pakistan Council for Science and Technology, STI scheme for 0.456 million Pak rupees (as PI with Dr. Imran Bodlah as Co.PI) (submission during March 15, 2020) Status: Not accepted
3. Sustainable management of groundnut hairy caterpillars with special reference to baculoviruses (9 million rupees) submitted to ADP as part of major project by the University for Groundnut sustainability grant (submission during March, 13, 2020) Status: Not accepted
4. Eco-friendly sustainable pest management of leaf worm, *Spodoptera litura* (Lepidoptera: Noctuidae) submitted to PSF NSLP for 1.6 million Pak rupees (as PI with Dr. Imran Bodlah as Co.PI), submission on 26th August, 2020. Status: Not accepted
5. Appraisal of new insecticides for Tephritid melon fruit fly, *Bactrocera cucurbitae* management under PSF NSLP, Islamabad for 2.3 million Pak rupees (as PI). Submitted during November 2020.
6. Area-wide management of locusts with integration of conventional and non-conventional control methods to PSF NSLP for 15 million Pak rupees (as PI) submission on December 8, 2020 Status: Not accepted
7. Revival of sericulture agricultural cottage industry in Pakistan to PSF-CRP for 19.45 million Pak rupees (as PI) submitted on June 14, 2021 as concept paper

(Completed)

1. Spatial and temporal behaviour of indigenous bumble bees, *Bombus* spp. of Margalla and Murree Hills funded by PMAS-Arid Agriculture University vide letter No. PMAS-AAUR/DR/630 dated 10-11-2010 for 0.175 million Pak rupees (as PI).
2. Effect of agricultural insecticides on neurological behavior of honeybee (*Apis mellifera*) in Pakistan funded by Higher Education Commission for Rs.0.5 million Pak rupees for one year duration (as Co. PI with Prof. Dr. Naeem).
3. Maintenance of scientific equipments for purchase of HPLC spare parts funded by Higher Education Commission for Rs.0.413 million Pak rupees (as PI). (Received in 2013)
4. Establishing year-round rearing facilities of bumble bees, important pollinator of commercial fruit and vegetable crops vide letter No.20-1697/R&D/10 5289 dated 26.07.2011 funded by Higher Education Commission for Rs.4.52 million for three year duration (December, 2011-14).
5. Identification of European Bumblebee (*Bombus terrestris* L.) pest problems affecting colony development. PMAS-AAUR/ORIC/3092 dated 01/10/2014 with grant of Pak. Rs.195000/. during 2014 (October, 2014-15).
6. Documenting mechanisms of insecticide resistance in brinjal shoot and fruit borer, *Leucinodes orbonalis* (Lepidoptera: Pyralidae) 1.31 million Pak rupees (PSF-NSLP) as Co. PI with Dr. Asim as P.I. received during 2014.

Awards/Scholarships

1. International Research Support Initiative Program for PhD studies, Higher Education Commission, Government of Pakistan (Jan, 31st – July 04th, 2007).
2. Merit Scholarship under 200 Scholarship Scheme for PhD Studies, Ministry of Science and Technology, (Higher Education Commission) Government of Pakistan (May, 2004–May 16, 2008) MLA-0316267
3. Merit Scholarship for F. Sc studies by Board of Education, Multan, Pakistan (1991-1993)

Certificates/Trainings

- 1 Teaching with technology: internet with tools, One day workshop by Mr. Tahir Mehmood Ch., Main Seminar Hall, 26th March, 2019, PMAS-AAUR.
2. ACSE Editor's Café, One day workshop at Pakistan Academy of Sciences, Islamabad, Pakistan on November, 21, 2016.
3. 2nd Biosafety training workshop for young scientists on Thursday 16th January, 2014 at Allama Iqbal Open University Islamabad.
4. Professional Competency Enhancement Program for Teachers (PCEPT) (27th July to 22nd August, 2009, extensive workshop at Pir Mehr Ali Shah, Arid Agriculture University Rawalpindi) by Division of Continuing Education, Home Economics and Women Development in collaboration with National Academy of Higher Education (NAHE), Learning Innovation Division, Higher Education Commission, Islamabad.
5. Genetics of insecticide resistance, *Bacillus thuringiensis* (Bt) toxin purification, DNA and esterase gels, *Spodoptera litura*, *Plutella xylostella* and *Heliothis virescens* laboratory rearing and diet incorporation toxicology testing in laboratory of Dr. Neil Crickmore, Senior Lecturer in Molecular Genetics, Department of Biochemistry, School of Life Sciences, Brighton, United Kingdom. n.crickmore@sussex.ac.uk (31.01.2007 - 04.07.2007) funded by HEC under IRSIP, Pakistan
6. Insect Neurophysiology and electrophoresis training for resistance mechanisms at biochemical levels by Dr. Yidong Wu, Dean and Professor of Entomology, Department of Plant Protection, Nanjing Agricultural University, Nanjing, China wyd@njau.edu.cn (19.12.03-01.01.04) funded by CFC/ICAC-014 project
7. Promoting Responsible Pesticide Use imparted by Asia Pacific Regional Training Centre (APRTC) www.aprtc.org Tamil Nadu Agricultural University, India (Through Internet) pipot@aprtc.org (15.09.03-24.10.03)
8. Integrated Pest Management of Cotton imparted by Asia Pacific Regional Training Centre (APRTC) www.aprtc.org Tamil Nadu Agricultural University, India (Through Internet) pipot@aprtc.org (10.02.03-21.03.03)
9. Digital Literacy for Agricultural Professionals imparted by Asia Pacific Regional Training Centre (APRTC) www.aprtc.org Tamil Nadu Agricultural University, India (Through Internet) pipot@aprtc.org (20.01.03-28.02.03)
10. Online course from Coursera.org on Animal Behavior (eight week duration; September to October, 2013)

Publications:

Project reports:

1. (Final report approved)
Establishing year-round rearing facilities of bumble bees, important pollinator of commercial fruit and vegetable crops vide letter No.20-1697/R&D/10 5289 dated 26.07.2011 funded by Higher Education Commission for Rs.4.52 million for three year duration (as PI).
2. (Final Report approved)
Effect of agricultural insecticides on neurological behavior of honeybee (*Apis mellifera*) in Pakistan funded by HEC for Rs.0.5 million for one year duration (as Co. PI).
3. (Final report approved)

- Spatial and temporal behaviour of indigenous bumble bees, *Bombus* spp. of Margalla and Murree Hills funded by PMAS-Arid Agriculture University vide letter No. PMAS-AAUR/DR/630 dated 10-11-2010 for 0.175 million rupees (as PI).
4. (Final report approved)
Maintenance of scientific equipment for purchase of HPLC spare parts funded by Higher Education Commission for Rs.0.413 million Pak rupees (as PI). (Received in 2013)
 5. (Final report approved)
Identification of European Bumblebee (*Bombus terrestris* L.) pest problems affecting colony development, PMAS-AAUR/ORIC/3092 dated 01/10/2014 with grant of Pak. Rs. 195000/. (October, 2014-15).
 6. (Final report approved)
Documenting mechanisms of insecticide resistance in brinjal shoot and fruit borer, *Leucinodes orbonalis* (Lepidoptera: Pyralidae) 1.31 million Pak rupees (PSF-NSLP) as Co. PI with Dr. Asim as P.I. received during 2014.

- of Zoology (International), April 2-4, 2013. Pakistan Museum of Natural History, Islamabad, p. 215.
10. Muhammad Nasir, Muhammad Imran and **Munir Ahmad (2012)** Pyrethroids synergize new chemistry insecticides in field populations of *Plutella xylostella*. National Science Conference, Roadmap to cutting edge technologies, January 10-12, 2012. PMAS, Arid Agriculture University Rawalpindi, Pakistan
 9. Muhammad Imran, Muhammad Nasir and **Munir Ahmad (2012)** Age-dependent toxicity of different insecticides against field populations of *Plutella xylostella* (Lepidoptera: Plutellidae) National Science Conference, Roadmap to cutting edge technologies, January 10-12, 2012. PMAS, Arid Agriculture University Rawalpindi, Pakistan
 8. **Munir Ahmad**, Samina Khalid and Muhammad Naeem (2011) Effect of host change on antibiotic factors of mealybug, *Phenacoccus solenopsis* Tinsley under laboratory conditions. International conference on Prospects and challenges to sustainable agriculture, 14-16 July, 2011. Fac. Agriculture, Rawalakot, AJK University, Pakistan
 7. Mazhar Hussain, **Munir Ahmad**, Mushtaq A. Saleem and Mushtaq Ahmad (2011) Comparative toxicity of insecticides against mealybug, *Phenacoccus solenopsis* Tinsley under laboratory conditions. International conference on Prospects and challenges to sustainable agriculture, 14-16 July, 2011. Fac. Agriculture, Rawalakot, AJK University, Pakistan
 6. **Munir Ahmad**, Muhammad Rafiq Khan, Mushtaq Ahmad Saleem and Mushtaq Ahmad (2009) Toxicity of some chitin synthesis inhibitors against some important insect pests. International Conference on Advances in agriculture: Prospects and Potentials of Natural Resources in Food Security, July 14–16, 2009, Rawalakot, Pakistan by University of Azad Jammu and Kashmir.
 5. Muhammad Ishtiaq, Mushtaq A. Saleem and **Munir Ahmad (2009)** Baseline susceptibility data for four insecticides against beet armyworm, *Spodoptera exigua* (Hubner) (Lepidoptera: Noctuidae). 29th Pakistan Congress of Zoology. February 24-26, 2009, University of Sindh, Jamshoro, Pakistan
 4. **Munir Ahmad**, Mushtaq Ahmad Saleem and Mushtaq Ahmad (2006) Occurrence of time-oriented mortality against leaf worm, *Spodoptera litura* (Fab.) (Lepidoptera: Noctuidae) of some new chemistry insecticides. 26th Pakistan Congress of Zoology (International) April 4-6, 2006. University of the Punjab, Lahore, Pakistan
 3. **Munir Ahmad**, Mushtaq Ahmad Saleem and Shafqat Saeed (2006) Larval parasitism of *Helicoverpa armigera* (Hubner) (Lepidoptera: Noctuidae) from unsprayed field crops 26th Pakistan Congress of Zoology (International) April 4-6, 2006. University of the Punjab, Lahore, Pakistan
 2. Muhammad Rafiq, Abdul Ghaffar and **Munir Ahmad (2006)** Host plant survey of *Spodoptera litura* (Fab.) (Lepidoptera: Noctuidae) from 2004-05. 26th Pakistan Congress of Zoology (International) April 4-6, 2006. University of the Punjab, Lahore, Pakistan
 1. **Munir Ahmad**, Mushtaq Ahmad Saleem and Mushtaq Ahmad (2005) Comparative efficacy of some conventional and new chemistry insecticides against armyworm, *Spodoptera litura* (F.) (Lepidoptera: Noctuidae) under laboratory conditions. 25th Pakistan Congress of Zoology (International) March 1-3, 2005. Sind Agricultural University, Tandojam, Pakistan

National Seminars

1. Locusts and their management, seminar for Plant Protection and Extension department, Government of Punjab, February 06, 2020 at 10:30am (Rawalpindi sector)
2. Locusts and their management, seminar for faculty members, students in FC&FS, PMAS AAUR, March 05, 2020 at 10:30am

National Workshop participation

1. One day training on “Honey quality control parameters and analytical methodologies” dated February 07, 2018 at Agriculture Poly-technique Institute, National Agriculture Research Centre, Islamabad (*local participant*)

2. COMSTECH-Technology Times International Workshop on ‘Science Communication: Enhancing Public Understanding’ January 10-11, 2017 at COMSTECH Secretariat, 33- Constitution Avenue, G-5/2, Islamabad (*local participant*).

Organization of National Workshop

1. Three day Workshop organized in the Department of Entomology, PMAS-Arid Agriculture University Rawalpindi with Dr. Muhammad Asif Aziz. It focused on “Apiculture Orientation Program” from 27th February to March 01, 2013.
2. Second Three day workshop organized in the Department of Entomology, PMAS-Arid Agriculture University Rawalpindi with Dr. Muhammad Asif Aziz. It focused on waxing, breeding and management of pest problems in Apiculture industry’ from April 04-06, 2017

M. Sc (Hons) students supervised

S. No.	Student Name & Registration No.	Title of thesis	Pass out year
1	Khalil Ahmad 04-arid-199	Life history of seven spotted ladybird beetle, <i>Coccinella septempunctata</i> on cabbage aphids	2010
2	Samina Khalid 04-arid-220	Life history of mealybug, <i>Phenacoccus solenopsis</i> on different host plants	2010
3	Mazhar Hussain 08-arid-720	Toxicity of different insecticides against mealybug, <i>Phenacoccus solenopsis</i> under laboratory conditions	2010
4	Muhammad Nasir 05-arid-89	Toxicity of insecticide mixtures against field populations of <i>Plutella xylostella</i>	2011
5	Muhammad Imran 05-arid-84	Age-dependent toxicity to commonly used insecticides against <i>Plutella xylostella</i>	2011
