Title

Mr.

Contact First Name

Please enter your first name. Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

Emmanuel

Contact Last Name

Please enter your last name. Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

Albina

Login Name

Please enter your login (account) name. Information in this field is mandatory. The maximal length of your input is 255 characters, only characters and number are allowed.

manudji34

Status of Organisation

Please select the status of your organisation.

non-profit organisation

Name of Organisation/Institution/Company

Please enter the name of your organisation/institution/company. Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

Centre de Coopération Internationale en Recherche Agronomique pour le Développement (CIRAD)

Department

Please enter the name of the department you work in. This field is optional to fill in. Maximum lengths: 255 characters, incl. space characters

Système Biologique (BIOS)

Street, No.

Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

Zip/Postal Code

Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

34398

Town/City

Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

Montpellier Cedex 5

Post Box (if applicable)

This field is optional to fill in. Maximum lengths: 255 characters, incl. space characters

TA A-15/A

Country:

Please choose the country you live in.

France

Email Address:

Please enter your e-mail address. Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

emmanuel.albina@cirad.fr

Phone Number:

Please enter your phone number. Information in this field is mandatory. Maximum lengths: 255 characters, incl. space characters

+33 590255431

Mobile Phone Number

Please enter your mobile phone number. Information in this field is optional. Maximum lengths: 255 characters, incl. space characters

Fax Number

Please enter your fax number. Information in this field is optional. Maximum lengths: 255 characters, incl. space characters

Your contribution to this project

Please briefly describe your contribution/task(s) of your work package.

Information in this field is mandatory. Maximum lengths: 500 characters, incl. space characters

In WP1, full-genome sequencing of aPMV-1 isolates from West-Africa and Madagascar and bioinformatics analyses of virus evolution
In WP3, generation of aPMV-1 antigens and prototype vaccine strains by reverse genetics
In WP4; coordination and management of the project

Curriculum Vitae

Please mention your relevant scientific activities of the last 5 years at least.

Information in this field is optional. Maximum lengths: 3000 characters, incl. space characters

Nationality : French
Date of birth : 28/08/1964
Marital status : Married, 2 childrens

Education:
2002 Accreditation to supervise research (HDR)
1997 PhD (Doctorat / Phd)
1988 DVM & Master

Current position : Virologist, Head of Virology Group, Centre de coopération internationale en recherche agronomique pour le développement, Systèmes biologiques, UMR Contrôle des maladies animales exotiques et émergentes

Literature References

Optionally, you may fill in up to 5 references.
